Christine – attached is a pdf of letter DEQ submitted to EPA/NOAA outlining their commitment for meeting CNPCP requirements. Option #1 for Forestry (IR TMDL) is what the State chose to pursue to meet outstanding CZARA forestry issues. EPA and NOAA used it as the basis for the NWEA settlement agreement.

Rick - Per our discussion here is the July 26, 2010 letter from OR DEQ committing to the "Implementation Ready TMDL"/"Safe Harbor" BMP approach in the CNPCP area. We are very close to settlement so plaintiffs may shift their focus to WA State. I still can't find an EPA "approval" letter for the Forests and Fish rules but have located an e-mail from Tom Eaton that is the closest thing that I've seen to making a call on the Forests and Fish rules and the CNPCP. I will forward that you too. Also, there is a

letter from the same players litigating in OR on the WA CMZA review that I will try to track down and send you. Dave
